Chat box | Send

Description

The first page is the login. After a successful login, the second slide shows the home page with the left side containing different pages that can be navigated to. The top displays what page you are currently on along with your user name and photo. The home page on the left side contains scheduling information of the current user, along with company events. The right side is a brief overview of client information. Clicking on the clients tab on the left side will display client information, a graph displaying behavior improvements(lower is better) along with notes about the client. Clicking on the chat will bring up slide four where you can group chat with team members, managers, and client parents.
